OUR MINISTRY GOALS

- Helping couples define their core emotional issues.
- Teaching couples how to care for each other's hearts.
- Discovering how to keep a person's heart open to love.
- Understanding cycles that lock a relationship.
- Experiencing healing for destructive emotional wounds.
- Applying truth to the heart through inner healing.

Haven of Hope is a faith-based, non-profit ministry committed to helping those who are hurting from their life experiences of the past and the present. We believe that there is life-changing help for the wounded hearts and broken relationships of those who are led into putting their trust in the Lord Jesus Christ. This miracle is only possible through His power. We are but instruments to help lead the hurting to Him, the "Healer of the Hurting."

You can make a one-time or recurring donation by going to our website and clicking on the donation button or by calling the office.

VOLUME 12, ISSUE 1

2020 Brings Exciting Changes to HOH

As a new decade begins, Haven of Hope has been hard at work refining our message across all our communication platforms. We have created or updated many items, and we are now ready to introduce these items to you. We think that you will be as excited as we are!

Our New Logo

Over the last few months, we have worked tirelessly to develop a logo that would reflect our ministry's unique focus. Graphic Designer Nicole Scott came alongside of us and made the new logo a reality. This new logo embodies our ministry goal of Compassionate Restoration by symbolizing the journey of the heart two lives take to find true healing at the cross of Christ.

Our New Website

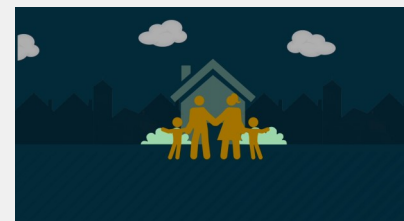

In addition to a new logo, Haven of Hope has also updated and launched a new website. Natalie Stoltzfus worked to design a website that was up-to-date and easier to navigate.

Now you can find answers to your questions, register for a retreat, or simply donate to the ministry with just a quick click of your mouse. Why not visit www.havenofhopes.com today and see firsthand what our new website has to offer.

Our New Animated Video

Our website also displays our new animated video. Jordan Sovis from Sovis Productions and our resource committee worked together to develop a brief animated video to introduce the public to our ministry. This video will allow you to learn more about what couples find when they visit Haven of Hope. In addition to the animated video, on the website you will also

find testimonial videos from couples who have been through the *Caring for the Heart* program and will hear firsthand how it has affected their lives.

Our New Giving Options

You may have also noticed that it is now even easier for you to give to Haven of Hope. Just text "GIVE" or "DONATE" to 616-208-3976 and follow the links to complete your donation. Our website also has a donation button that makes it easy for you to give a one-time or reoccurring donation. All gifts given to Haven of Hope are tax deductible and go directly to provide free counseling to our couples.

Yes, change is in the air, and we look forward to all that the Father has in store for Haven of Hope in this new decade. As many things have changed this year, the one thing that has not changed is our commitment to help couples. Thank you for partnering with us in this ministry of compassionate restoration. May the days and years ahead be full of blessings.
